

## Personal

2. Tell us about an unusual habit of yours or about a unique trait?

Unique trait:

Good analysis skills in logical form.

3. What's something outside of your work that you're passionate about?

- A. Trying to get to any new experience
- B. Developing my senses of:
  - Sense of Tasting: recognizing the coffee notes (I am an excellent home barista) and food ingredients. (even I cook some time to get more understanding)
  - Sense of Hearing: Listening to beautiful voices and trying to know which musical instrument they use.
  - Sense of Smell: trying to develop this sense by given to try a lot of perfume to recognize the perfume's notes.
- C. last but not least, trying to be a better person.
